Interested in getting more involved in the club? Or helping plan and chair club events? Then a Chairman position would be great for you (AND THE CLUB!) It would be great if we could get a few new people to step up and provide some new ideas and energy to the Board. The seven Committees are: Ways & Means, Membership, Religion, Social, Service, Nominating & Election and Host. If you are interested in any of these positions or helping out the Club in any other way, please contact Bill Horvatin at [724-776-1141](tel:724-776-1141) or at [horvatin@zoominternet.net](mailto:horvatin@zoominternet.net)

**12. Closing Joke:** A guy is sitting at a bar in a skyscraper restaurant high above the city. He's slamming tequila left and right. He grabs one, drinks it, goes over to a window and jumps out. The guy who was sitting next to him couldn't believe that the guy had just done that. He was more surprised when, ten minutes later, the same guy, unscathed, comes walking back into the bar and sits back down next to him. The astonished guy asks "How did you do that? I just saw you jump out that window and we're hundreds of feet above the GROUND!!!!". The jumper responds by slurring, "Well, I don't get it either. I slam a shot of tequila and when I jump out the window, the tequila makes me slow down right before I hit the ground. Watch." He takes a shot, slams it down, goes to the window and jumps out. The other guy runs to the window and watches as the guy falls until right before the ground, slows down and lands softly on his feet. A few minutes later, the guy walks back into the bar. The other guy has to try it too, so he orders a shot of tequila. He drinks it and goes to the window and jumps. As he reaches the bottom, he doesn't slow down at all....SPLAT!!!!!! The first guy orders another shot of tequila and the bartender says to him, "You're really an jerk when you're drunk, Superman."
